<sup>1</sup> Pediatric Nutrition Surveillance System (PedNSS) data, California 2001, CDHS Children's Medical Services Branch

<sup>2</sup> Population does not represent all low-income children in California

<sup>3</sup> Body weight status is based on the 2000 CDC growth chart percentiles for BMI-for-age.

\* Rank compares this county's rate to other counties. Rank 1= **best** rate (done differently than CFPA and CHIS rankings).

\*\* Percentages are not calculated if less than 100 records are available after exclusions.
